Dear Judge Sessions:

I hope this letter finds you well. I still enjoys a vivid memory of the time I shared with you in Washington, D.C. last January. Your hospitality at that time made my visit to the US more enjoyable and memorable.

Having the honor of running Korea's Agency for National Security Planning, I was much delighted to note that a close ties had been evolved to the benefit of mutual interests, which was a great source of comfort and relief to me.

I want to thank you for the precious assistance you have rendered to us for a safe and successful Seoul Olympiad. The unprecedented success of the Games in the entire Olympic history owes greatly to your Bureau under your prominent leadership. Particularly, Mr. Revell has impressed me by his dedicated efforts toward us, which have been always a source of encouragement and assistance to our cause.

Recently, I resigned from this post and now, after 33 years as a public servant, I return to life as a private citizen. I hope you will not spare your continued support to my country and NSP as well as to myself.

Cherishing those good memories with you in my mind.

Sincerely,

Park, Seh-Jik

Dear Mr. Park:

I have received your August 14th letter, and I want you to know how much I appreciate the thoughtfulness you have shown by acknowledging the contributions of the FBI to the success of the Seoul Olympiad.

It was especially thoughtful of you to mention the assistance provided the Agency for National Security Planning by Associate Deputy Director Oliver B. Revell in connection with these Olympic Games. I will share your letter with him, and he will certainly be as pleased as I am that you included him in your acknowledgment of the FBI's role in the success of the Seoul Olympiad. Your kind comments are sure to hold special meaning for Mr. Revell, and I know he will join me in thanking you for writing.

We hope that you are enjoying your activities in the private sector and that they are bringing you a measure of personal fulfillment equalling that which you undoubtedly received from your career in the public domain.

With every good wish for the future

Sincerely yours,

Dear Director Suh: ~~POLICE ASSOCIATION~~

My colleagues and I enjoyed meeting with you and your associates on May 9th when you were in Washington. Your visit gave us an excellent opportunity to discuss important areas of concern, and I believe that occasion proved mutually beneficial to both of our agencies. We have certainly enjoyed our cordial relationship with your agency, and we look forward to its continuation.

My colleagues and I also look forward to our visit to Seoul during July 23-27, 1990, in connection with the Third Annual Asian/Pacific Executive Policing Conference of the International Association of Chiefs of Police and the meeting of our FBI Legal Attaches. I hope during that time to be able to visit with you in Seoul in response to your gracious invitation should our respective schedules permit.

I want to express again my gratitude for the beautiful decorative silver servers and the matching tray. Your kind and generous gesture will be a pleasant reminder of our enjoyable meeting. [redacted] is also delighted with the lovely [redacted] [redacted] and wanted me to extend her sincere thanks to you for your thoughtfulness in remembering her.

Dear Director Freeh,

I would like to extend you my sincere congratulations on your brilliant success in winning the senatorial confirmation unanimously and on your assumption of new responsibilities as Director of the FBI.

The overwhelming support the Senate has shown you, I firmly believe, is a rightful recognition of your long years of public service to enforce law and establish order in your country. I am also confident that the FBI will continue to prosper under your prominent leadership.

Our two services have a long and cherished history of cooperation, and I am very hopeful that such a bond of ties between us will be further strengthened in the years to come.

I look forward to meeting and exchanging views with you on issues of our mutual interests in the near future. I wish you the best of luck and success in your new position.

Sincerely yours,

IN ADDITION TO MONITORING DEVELOPMENTS ON THE INTERNATIONAL CRIME SCENE, THE ANSP WILL ALSO INTRODUCE A PLAN TO SET UP INTERNATIONAL CRIME REPORTING CENTERS AT MAJOR AIRPORT AND PORT CITIES INCLUDING SEOUL, PUSAN, INCHON AND CHEJU.
